

HOSPITAL & REHAB DISCHARGE PREPARATION

At Freedom Mobility Solutions, we understand the importance of a smooth and safe transition from hospital or rehab to home. Our specialized services are designed to enhance home accessibility and safety, reducing hospital readmission and improving patient outcomes.

THOUGHTFUL PREPARATION ENSURES:

- No Discharge Delays
- Fall Prevention
- Reduced Hospital Readmission
- Improved Access to Follow-up Care
- Enhanced Socialization
- Better Hygiene & Access to Bathrooms

WHEN TO START PREPARING:

- Start the conversation at admission
- Assess your home for safety
- Get organized and have quotes ready for multiple options
- Decide if you want to purchase or rent
